Welcome to the Neighborhood!

At Dundee Bank, we are proud to serve our community, and now, that means you!

Our business is small, which means our team is local, giving us an insider's view of our clients' needs. Being a small business also means we have the freedoms and flexibility to meet those needs. No faceless-corporate red tape, just your knowledgeable banking partners excited to help our new neighbor!

Small Bank, Full Service

We understand that each of our clients have unique goals, requiring a unique approach, and we rely on the relationships we build to be able to anticipate their needs. From checking, savings, to lending options and IRAs, Dundee Bank employs a small bank culture with big banking services.

Honesty and Reliability

While we have many products and services that we are excited to offer, our most valuable services are honesty, integrity, and personalized care. We don't disguise fees, penalties, or conditions with misleading offers. We just want the chance to earn your business through trust and transparency.

Just Our Way of Being Neighborly

With everything you're juggling, you were glad you had your life and finances automated. Now it feels like just another thing you have to worry about. Dundee Bank doesn't juggle. Your convenience and security are our only priority. When you open your account, we will transfer your direct deposit and automatic bill pay from your old account for you for free.

We Make House Calls!

If your schedule doesn't allow you to come into the bank, we can schedule a customer service representative to meet you at your home or work at no cost to you. We don't want to be another dreaded task on your to-do list, but a member of your team that makes your life easier. We know how precious your time is, and we want to help make your transition as smooth as possible!

Dundee Bank is excited to welcome you to your new neighborhood! Call and schedule an appointment with your personal banker today!
